To whom it may concern:

I would like to take the opportunity to share with you about a local youth running camp and 5k race to take place in June. As part of Graceland Church's recreation ministry, we are very excited for the tenth annual running camp—open to any youth entering grades 3 through 8—as well as a family 5k on the last night of the camp. This camp and road race are designed to support Eden Ministries of Doma, Zimbabwe. Eden Ministries is an incredible organization that focuses on caring for orphaned children in a holistic and Christ-centered environment. Since being founded in 1998, Eden Children's Village has brought up hundreds of children in the Doma region, offered free medical care for thousands of men and women, and provided a free Christian education to hundreds of children in need. Through our annual running camp and 5k, we are honored to bring together our community to partner with Eden!

This year, we are prayerfully seeking local businesses and organizations to partner with us. The running camp—which will take place June 22<sup>nd</sup> through 26<sup>th</sup>—will conclude on Friday with a family fun night. This night will include a 5K, kids' races, food, bounce houses, and more. We are hoping to find local people interested in coming together with the common goal of supporting the important work that Eden is doing in the name of Jesus. We ask that you would consider joining in this effort, whether it be through sponsorship or serving directly at the camp or 5k.

Your consideration of becoming a 2026 sponsor would be greatly appreciated. **To become an official Graceland Running Camp and Run for the Village sponsor, please see the attached sponsorship level options.** Thank you so much for considering joining Graceland in this mission to share the love of Jesus.

Sincerely,  
Rachel Manias
